

To Whom it May Concern:

Feldman Ford, LLC proposes to deliver a 2023 Ford Transit 8-Passenger Van to the County of Otsego, Michigan equipped to the listed specifications with exceptions listed below on BID 2021-19 for \$48,775.00 (See Attached). This price includes a State of Michigan Title and delivery to your location.

A 110V power converter is not available from the factory, however we can install an aftermarket 110V/500W outlet for \$575.00. The exceptions are as follows: no rear liftgate, both rear doors swing out, there is only one, passenger-side sliding door, no drivers side second-row door, there is no second-row power window, windows are fixed, there is no observation mirror on the overhead sunglass holder, there is carpet floor not vinyl and cloth seats not vinyl, there is no overhead shelf for a low-roof van, the overhead shelves are available on models with a higher roof. Please call for pricing.

Ford Motor Company's current order-to-delivery times are 28-30 weeks given the current supply-chain demands. There is also an additional 8–10-week delay for higher roof vans. Ford Motor Company reserves the right to change this estimate without notice.

Please provide a bid tabulation if possible.

Sincerely,

Frank Kurta and Bill McCarthy
