The OCBS has strong safety procedures and has enhanced sanitary protocols:

- ALL OCBS Drivers are CDL-licensed and undergo regular drug testing
- ALL OCBS Buses are required to undergo regular MDOT inspections
- COVID-19 enhanced sanitation procedures include:
 - Daily screening of all staff including taking temperatures
 - Deep disinfecting of the interior of all buses by using a bus “cleaning bomb” daily
 - We sanitize our buses using **UV-light technology**
 - Drivers wipe down surfaces with sanitizing wipes several times per day
 - Clear vinyl barrier between the driver and passengers
 - OCBS staff and bus riders must wear masks in accordance with MDHHS Orders
 - All buses equipped with hand sanitizer dispensers
